Dear Representative Hastert:

The Junior Order United American Mechanics is the oldest patriotic fraternity started in America. We were founded in 1853 in Philadelphia, Pennsylvania.

The Junior Order is composed of American citizens of good moral character who believe in keeping America strong and free.

Our organization held it's National Convention last June in Ft. Mitchell, Kentucky. There were representatives in attendance from several states.

Enclosed are copies of Resolutions which were passed at our convention. Please give these Resolutions your consideration. We would appreciate any help and support you can give, concerning these matters.

Sincerely,

  
James F. Workman  
National Secretary
